**Baltimore, Dec. 1st, 2023** – Jastin Artis, the luminary of Christian hip-hop, unveils a soul-stirring musical odyssey with his latest single, "Break Down," set to release on December 15, 2023. This emotionally charged anthem is the inaugural glimpse into Jastin's forthcoming 10th album, "Love in Darkness II," and it promises to be a transformative exploration into the depths of faith, redemption, and personal evolution.

Produced by Grammy-winning maestro Tone Jonez, "Break Down" is a Christian hip-hop thriller that weaves a gripping narrative through Jastin's raw and introspective lyrics. The song is a poetic call to action, imploring listeners to confront their inner demons and break down the barriers that hinder the flow of divine love. With lines like "Speak to your demons, call on Jesus," Jastin invites his audience to embark on a journey of self-discovery and spiritual renewal.

What sets "Break Down" apart is not only its lyrical depth but also the collaborative genius of Tone Jonez, whose Grammy-winning touch infuses the track with soul-stirring live sound and dynamic production. The synergy between Jastin's impassioned verses and Tone Jonez's musical prowess creates an immersive sonic experience that transcends the boundaries of traditional Christian hip-hop.

In a new move, Jastin Artis is offering "Break Down" exclusively on his official website first with the possibility to stream on Spotify and Apple Music, allowing fans to set the price for this transformative piece of music and the forthcoming. This pricing model empowers Jastin's community to participate actively in the music-making process, fostering a sense of connection and shared purpose.

As "Break Down" prepares to resonate in the hearts of listeners worldwide, Jastin Artis invites fans and newcomers alike to join him on this introspective journey.
